Window and Door Company

*623 Series  
Multi-Panel  
Sliding Patio Door  
Serving Distributors in TX, LA, MS*

Showcase has the multi-panel sliding doors your customers are asking for. We're manufacturing the sizes, colors and styles consumers want—with the durability and longevity they expect.

We make your job easier than ever. Our sliding glass doors are easy to install which saves you valuable time and effort. Our streamlined design also gives you better access to movable parts.

The professionals at Showcase are experts at building windows and doors for the Gulf Coast and hot weather climates. Add this to our exceptional customer service and Lifetime Warranty, and you have the best multi-panel doors available for the region.
